

Oxygen injector

Benefits

- Very low power consumption
- Improved process efficiency
- Controlled oxygen dosing
- Versatile integration
- Can be delivered with complete unit with control

Specification

- Injector sizes
 - Ø800 mm
 - Ø710 mm
 - Ø630 mm
 - Ø560 mm
 - Ø500 mm
 - Ø400 mm
- Efficiency up to 99,5%
- Less prone to clogging
